# Parking permits for businesses Information

The City is pleased to offer parking permits for businesses in the Town Centre. The parking permits are specifically for employees of those businesses and allow parking in the former Coles rooftop car park at 277 Barker Road Subiaco.

The parking permits are offered on a month by month basis. They are not renewable and are issued on a first come first serve principle.

## **Conditions of use**

The parking permits must be displayed on the dashboard of the vehicle so that the details of the parking permit can be read by City officers.

The vehicle license plate number printed on the parking permit must match the vehicle license plate number of the vehicle displaying the parking permit.

Parking Permits are not valid in any other location and are not valid when expired.

## **Cost**

\$120 per month (including GST) in advance.

## **Application**

An application form must be completed in full and must include the details of the business that the applicant is employed by.

Parking permits may be issued upon successful application and payment of the prescribed fee.
