Lords celebrates anniversary with community open day

Lords is turning four and everyone is invited to celebrate at an open day between 9am and 12pm on Saturday 13 July.

Enjoy free entry to Lords, including the gym and group fitness classes, and discover the various events and activities on offer on the day.

Mayor Heather Henderson said she was looking forward to marking the occasion.

“The city is proud to celebrate yet another outstanding year of operation,” Mayor Henderson said.

“We have seen Lords become an exceptional facility over the last four years, which delivers so much to our community” she said.

There will be plenty to keep the whole family entertained, with games and entertainment for the kids, including a roaming magician, bouncy castle and face painting.

Sports fans will have the chance to meet players from the West Coast Fever netball team, and be entertained by netball, basketball and soccer exhibition games.

Other activities planned for the day include a sausage sizzle, demonstrations, coaching, and free health checks.

Lords is open between 8am and 6pm and is located at 3 Price Street, Subiaco.
