See Subi differently next Sunday

The 2014-15 season of the popular See Subi on Sunday walking series will kick off on Sunday 13 July at 1.30pm with the thirteenth anniversary commemorative walk, Centuries and Identities, at Subiaco Primary School.

Participants will discover the school's 100 year old history as they explore the grounds and learn the school's legacies. Along the way, community members with past and present connections to the school will be invited to share personal anecdotes and contribute to the learning experience.

The walk, which will take approximately one and a half hours to complete, will start and finish on the grassed area outside the Subiaco Museum, 239 Rokeby Road, Subiaco. At the completion of the walk, all will be invited to enjoy New Norcia bread, cake and billy tea.

City of Subiaco Mayor Heather Henderson said this year's See Subi on Sunday walks were expected to be very popular.

"The See Subi on Sunday walking series has been running for thirteen years now and the program for the 2014-15 season is one of the best yet. I know many in the community are particularly looking forward to the behind-the-scenes tours of the Regal Theatre and Subiaco Oval. I suspect these two will be well attended."

She continued: "Another highlight will be the Salvado and Subiaco walk on 9 November in celebration of the bicentenary of Benedictine monk, Dom Rosendo Salvado. This walk will visit the original monastery site of New Subiaco and St Joseph's Church."

The See Subi on Sunday program is researched, organised and led by city volunteer Marion Gathercole who has been conducting the walks since they started thirteen years ago. Each walk explores a different area or aspect of Subiaco.

The See Subi on Sunday brochure with details about the scheduled walks is available for download from the city's website www.subiaco.wa.gov.au, or hard copies can be obtained from the city's Administration Centre, 241 Rokeby Road or Subiaco Library, 237 Rokeby Road, Subiaco.
