HELP SUPPORT A GREENER CITY

Join the local community and help the city plant 3000 native shrubs as part of Planet Ark’s National Tree Day. This community planting event continues the city’s work in establishing native plants as habitat for wildlife, while reducing water use in parks and reserves.

When: Sunday 30 July, 9am to 11am
Where: Meet in Mueller Park, near the bunted off area towards the south-east corner of the park, adjacent to Roberts Road and Hamilton Street, Subiaco

Volunteers should bring gloves, hand trowels, spades and a water bottle, and wear enclosed shoes. Wet weather gear is recommended if it looks like it’s going to rain on the day. Refreshments and a barbecue will be provided once planting is finished.

COMMUNITY NOTICES

HAVE YOUR SAY ON THE DAIP

The city’s draft Disability Access and Inclusion Plan (DAIP) was developed in consultation with the community and aims to guide the city’s actions and activities for improved access and inclusion between 2017 and 2022. In order to finalise the document and ensure it reflects the needs and desires of the community, the city seeks your comments.

You can complete the online survey at www.haveyoursay.subiaco.wa.gov.au. Hard-copy surveys are available at the city’s Administration Centre, Subiaco Library and Lords Recreation Centre. Hard copies can also be provided in alternative formats.

All participants will be entered into a draw to win a $25 Coles Myer voucher. Consultation closes on Monday 31 July. For more information, email jenniferwa@subiaco.wa.gov.au or call 9237 9328.
