SCORE THE CITY
The City of Subiaco is planning for the future and would like to hear what you think about its services and facilities. In order to ensure we continue to meet the needs of our community, we invite you to rate us by filling out a Community Scorecard. Conducted by independent research company Catalyse, the survey’s results will be used to benchmark the city against other local governments. The survey has been sent by Australia Post to 3000 randomly selected properties, as well as our e-newsletter database, and feedback is anonymous. If you have not received an invitation but would like to complete a survey, you can do so online at www.haveyoursay.subiaco.wa.gov.au. The scorecard is open to all residents aged 18 years and over.
