LAKE JUALBUP UPGRADE: STARTING MONDAY 27 NOVEMBER

As part of the city’s 2017–18 capital works program, upgrade works to Lake Jualbup will commence on Monday 27 November 2017 and continue through until March 2018. The works are aimed at enhancing the lake’s ecological value and public amenity, and will be staged in two zones:

Zone 1: Lake hydrology – western side wall replacement
A new limestone block retaining wall will be constructed to replace the current western wall and a section of the lake bed will be replaced with a natural clay layer. These measures will reduce the likelihood of water infiltration. As part of the lake upgrade, a number of weeping willow trees will be removed because of root systems that are causing damage to the wall and lakebed. New native shade trees will be planted in more appropriate locations nearby.

Zone 2: Lake foreshore – northern side wall removal and creation of sloping embankment
The existing northern retaining wall will be replaced by a sloped embankment containing extensive planting. These plantings will assist in providing habitat and grazing for wildlife, and minimise the risk of bank erosion.

Planning for this project has been ongoing for many years with significant work undertaken by city staff, community stakeholders and consultants. For further information and construction updates, visit www.subiaco.wa.gov.au/lakejualbup

COUNCIL MEETING: TUESDAY 28 NOVEMBER

The next council meeting will be held on Tuesday 28 November at 5.30pm in the Council Chambers at the City of Subiaco Administration Centre, 241 Rokeby Road, Subiaco. Members of the public are welcome to attend this meeting and have the opportunity to ask questions or make statements. For more information and the meeting agenda, visit the city’s website.

ADMINISTRATION CENTRE OPENING HOURS: THURSDAY 30 NOVEMBER

The city’s Administration Centre will open at 9am on Thursday 30 November instead of the normal time of 8.30am. The city apologises for any inconvenience caused.

2017 ANNUAL ELECTORS’ MEETING

The 2017 Annual Electors’ Meeting of the City of Subiaco will be held at 6pm on Tuesday 5 December in the Council Chambers of the city’s Administration Centre, 241 Rokeby Road, Subiaco. The format includes a welcome and introduction, discussion of the annual report contents and other general business. The annual report and financial statements will be accessible on the city’s website prior to the meeting and hard copies will be available at the meeting. For information on how to speak at the meeting, visit www.subiaco.wa.gov.au

ATKINSON ROAD TO CONVERT TO ONE-WAY TRAFFIC

The city is undertaking works to convert a section of Atkinson Road, between Price Street and Mountizen Way, from two-way to one-way traffic movement. Works will commence on Monday 27 November and are expected to take two weeks to complete. Following completion of the works, vehicles will only be able to travel in a northerly direction along Atkinson Road. The intersection of Price Street and Atkinson Road will be modified to allow for left-in/left-out traffic movement only and a new footpath will also be constructed to improve pedestrian connectivity between Price Street and Mountizen Way. For more information visit www.subiaco.wa.gov.au/currentworks

BULK WASTE COLLECTION: MONDAY 4 TO FRIDAY 8 DECEMBER

With summer just a week away, now is the time to tackle your spring cleaning and make the most of the city’s biannual residential bulk waste collection service from Monday 4 to Friday 8 December. To ensure your items are collected, they must be placed on the verge outside of your property on the weekend of Saturday 2 and Sunday 3 December. For more details, visit www.subiaco.wa.gov.au/bulkwaste

COMMUNITY NOTICES
