

## PUBLIC ART ACROSS OUR SUBURBS

The City of Subiaco is currently seeking input for its next Public Art Strategy. Public art plays a vital role in creating a sense of place within the community and contributes to its cultural development.

The city's public art program fosters artists' creative ideas and celebrates the values of Subiaco – its history, culture and future aspirations. Its aim is to define Subiaco as a place where people want to be. Last year's Paint Subi project, which involved the creation of four murals throughout the town centre, was a great success and there is now an opportunity for more public art in our suburban spaces.

To give us your thoughts on public art, visit [www.haveyoursay.subiaco.wa.gov.au](http://www.haveyoursay.subiaco.wa.gov.au) and:

- use the mapping tool to show us where would you like to see new artworks
- tell us about some of your favourite artworks, both in Subiaco and further afield
- let us know if there are themes or topics relevant to an area of the city that could be expressed through public art.

The review is open until **Friday 20 July**. Visit [www.haveyoursay.subiaco.wa.gov.au](http://www.haveyoursay.subiaco.wa.gov.au) today.

The city's community development grants are awarded to groups or initiatives that enhance the wellbeing of residents and promote a sense of belonging to the community. Recent recipients include the Shenton Park Playgroup, which will benefit from a number of upcoming public art projects, and the Perth Modern Sustainability Group, which will hold a cultural night in November. If your community group has an idea or project which you feel would benefit the community, a grant from the city could be just what you need to get it off the ground. Applications for the next round of funding are being accepted until **4pm on Monday 2 July**. For more information, visit [www.subiaco.wa.gov.au/grants](http://www.subiaco.wa.gov.au/grants), email [culture@subiaco.wa.gov.au](mailto:culture@subiaco.wa.gov.au) or call **9237 9324**.

### SUBIACO LIBRARY WINTER DRIVE FOR THE RSPCA WA

Perth winters can be chilly. You can help keep animals in need of warmth and food healthy by donating to the RSPCA WA's Winter Drive at Subiaco Library. Subiaco Library is collecting donations of dog and cat food, old blankets and towels, and other items suitable for bedding, from **Saturday 23 June to Tuesday 10 July**. Unfortunately, pillows and doonas cannot be accepted due to the mess they make when curious canines and feisty felines rip them up! The library looks forward to receiving your donations.

### ENTER THE 2018 PHOTOGRAPHIC AWARDS

The City of Subiaco's annual Photographic Awards celebrate creativity and offer photographers a chance to showcase their original works.

Photographers from the Perth metropolitan area, aged six years and over, can submit a photograph in one of three entry categories – 'Subiaco', 'Open' and 'Mobile Phone'. A combination of cash and prize packs valued at more than \$2500 are up for grabs!

Entries into the 2018 Photographic Awards are now open and close at **4pm on Monday 23 July**. Finalists will have their work exhibited at the Subiaco Library from Saturday 27 October to Sunday 25 November. For more information and to enter your photo, visit [www.subiaco.wa.gov.au/photography](http://www.subiaco.wa.gov.au/photography)
