**LPS5: MAKE SURE YOUR VOICE IS HEARD**

The city’s draft Local Planning Scheme No. 5 and draft Local Planning Strategy are currently open for public comment. These documents include major density increases around train stations, proposed by the Western Australian Planning Commission (WAPC). These changes are significantly greater than what the city envisaged. While there are several ways to have your opinion heard, the most effective and most important way is to make a submission at [www.haveyoursay.subiaco.wa.gov.au](http://www.haveyoursay.subiaco.wa.gov.au).

Submissions made to the City of Subiaco will form the basis of Council’s response to the WAPC and could influence the final decision by the Minister for Planning. To discuss the scheme or strategy, and see what’s proposed for your property, contact a city planning officer at shape@subiaco.wa.gov.au or phone 9237 9284.
