

## SUBIACO BUSINESS CONFERENCE

There are almost 4500 businesses operating in the City of Subiaco and 97 percent of these are small enterprises.

The city is celebrating the entrepreneurial spirit and acknowledging the hard work of our small business community with a half day business conference.

The special event, tailored to Subiaco businesses will be held at Subiaco Arts Centre, 180 Hamersley Road, Subiaco on **Thursday 11 October from 9am to 1pm** in the lead up to WA Small Business Day.

Get the skills to future-proof your business with keynote speaker, Amanda Stevens – a thought leader in consumer behaviour. Her presentation will provide strategies for anticipating the needs of tomorrow's consumer.

The conference will also include a panel discussion with entrepreneurs and business experts and a range of workshop sessions pertinent to all types of small businesses including leasing and property advice, visual merchandising, digital media marketing and customer service.

Early bird tickets are on sale now for \$75. To register your attendance visit [www.subiaco.wa.gov.au/events](http://www.subiaco.wa.gov.au/events)

## COMMUNITY NOTICES

### LAKE JUALBUP WORKS – STAGE 3

In April 2018, the City of Subiaco completed the first stages of significant works at Lake Jualbup.

The third and final stage of works will commence on Monday 17 September and will include the installation of additional pathways and linkages, a lake aeration system, new LED lighting, irrigation bores, irrigation pipes and sprinklers, park furniture, barbecues and shelters.

Works are expected to be completed by **Friday 30 November**. For more information visit [www.subiaco.wa.gov.au/lakejualbup](http://www.subiaco.wa.gov.au/lakejualbup)

### LOCAL RESIDENTS RECOGNISED FOR OUTSTANDING ACHIEVEMENTS

On Monday 10 September, Mayor Penny Taylor hosted a special event to recognise five City of Subiaco residents who were honoured at the 2018 Western Australian of the Year Awards and residents included on the Queen's Birthday 2018 Honours List.

The following community members were recognised for their outstanding achievements:

#### The Queen's Birthday 2018 Honours List

- Erica Smyth (Jolimont)
- Anne Banks-McAllister (Daglish)
- Emeritus Professor Margaret Nowak (Subiaco)

#### Western Australian of the Year Awards

- Emeritus Professor Mike Daube AO (Subiaco)
- Janet Holmes à Court AC (Subiaco)

For more information on the recipients and their contribution, visit [www.subiaco.wa.gov.au/news](http://www.subiaco.wa.gov.au/news)

### COLLECTING STATIONARY FOR CHILDREN IN NEED

Subiaco Library is collecting school stationary donations for the School Packs Project. The stationary will be donated to children escaping domestic violence in Perth and country refugees within our state. Packs of twist crayons, highlighters, writing pencils, coloured markers, sharpeners, glue sticks, erasers, blue pens and pencil cases are requested. Please note, donations should be new items, not pre-used.

Donations can be dropped into Subiaco Library before **Sunday 30 September**. For more information please follow the School Packs Project on Facebook.

### DISPOSING OF AEROSOLS

Doing the right thing when it comes to waste and recycling can be a challenge because different councils have different rules. To make it easier, the three major operators who collect household waste in Perth are taking a uniform approach, and have introduced some changes to what can be disposed of in your yellow-topped recycling bin.

As a result, **aerosols can no longer be put in your yellow recycling bin**. Empty aerosols should now be disposed of in your general waste bin. Aerosols which are partially full or contain content are considered hazardous household waste and can be taken to the JRF (Jim) McGeough Resource Recovery Facility located at 60 Lemnos Street, Shenton Park.

This information has been updated on the city's website at [www.subiaco.wa.gov.au/waste](http://www.subiaco.wa.gov.au/waste). Thank you for your continued perseverance in meeting waste and recycling guidelines.

### DELAY SPRINKLER USE

Perth has had its wettest winter since 2003 with 464mm of rain recorded. Despite the end of the winter sprinkler ban, the Water Corporation is urging residents to use reticulated sprinkler systems only when needed and refrain from switching on automatic settings.

In May 2018, the city was awarded Platinum Waterwise Council of the Year for demonstrating leadership in waterwise operations and an ongoing commitment to creating a water-sensitive community. Thank you for your continued support and diligence in practicing water-wise behaviours.

### INFORMATION NIGHT: MANY HANDS PROJECT

The City of Subiaco's town team SUBlaction is offering three \$1500 grants to teams of community members with ideas that activate the town centre. Proposals for projects that improve or activate spaces can be submitted and will be voted on by the community. The three projects with the most people willing to get involved will receive the grants.

SUBlaction is hosting a free, community briefing session where you can find out more about the process and how to submit your idea.

**When:** Monday 17 September, 5.30pm to 6.30pm

**Where:** Subiaco Hotel, 465 Hay Street, Subiaco

Registrations are not required. For details on the Many Hands Project, visit [www.subiaction.org.au](http://www.subiaction.org.au)
