Subi Blooms Mother's Day weekend Friday 10 May – Sunday 12 May

Subiaco will become a vibrant floral fantasyland when the state's leading florists and botanic artists take over the streets for Mother's Day weekend.

This year, the floral trail will lead through the town centre, and feature the interactive light installation Stem by Stem. Be on the lookout for incredible activations near the Vibe Hotel and Postal Walk.

With the support of Lotterywest, Subi Blooms will also feature a community program, including a public-built interactive floral installation and a series of flower card-making workshops.

A pivotal theme of this year's Subi Blooms is sustainability. Only fresh and preserved flowers and materials can be used. At the weekend's end, the installations will be repurposed into free bouquets for new and expectant mothers at King Edward Memorial Hospital.

Subi Blooms is run by See Subiaco, an initiative by City of Subiaco.

Half-price native plants

Spruce up your garden with half-price plants. Through the City's Native Plant Subsidy Scheme, residents can purchase up to 80 tubestock plants at only \$2.50 each from APACE Nursery in North Fremantle. Not only do these native plants add charm to your garden, they also require little water and fertiliser once established. Available from 1 to 31 May, or until stock lasts. Find out more at www.subiaco.wa.gov.au/news.

This initiative is proudly co-funded by the Water Corporation's Waterwise Greening Scheme and forms part of our ambition for Subiaco to be a leading waterwise city.

Rokeby Games is back

Museum's online collection expands
