

Subi Night Market returns for its biggest season yet

The sights, sounds, and flavours of a European summer are returning to Subiaco as Subi Night Market transforms Market Square Park into Perth's favourite Saturday night destination from 5 September 2026 to 8 May 2027.

More than 40 food stalls and 20 artisan traders will feature, including six new vendors serving Thai pancake rolls, Irish comfort food, Italian flatbreads, matcha, loaded cookies, and health-conscious treats.

Local distillery Spirit of Little Things will also return with botanical cocktails and locally crafted pours, while Meet Your Street will give locals the chance to reserve a long table for their neighbours under the market lights.

Visitors will also enjoy weekly WAAPA live music and roving performances, outdoor movies, dance

classes, giant chess, Halloween celebrations, and Perth International Jazz Festival performances.

City of Subiaco Mayor David McMullen said the market continues to be one of the City's signature events.

"After welcoming more than 130,000 visitors last season, the market will be back with even more to discover," he said.

"Six new vendors and our first partnership with WAAPA make this the most exciting season yet."

The market runs Saturdays from 5pm to 9pm.

Last chance for The Wellness Edit

This weekend is your last chance to enjoy more than 30 special offers from local Subiaco and Shenton Park businesses.

Explore fitness, beauty, food, counselling, meditation, and holistic health offers before the campaign ends on Sunday 16 August.

FOGO reminder: keep it simple

Statewide FOGO guidelines have changed. Only food scraps, garden organics, and certified compostable caddy liners belong in your lime green-lidded bin.

Pet poo, tea bags, tissues, paper towels, compostable packaging, and food-soiled paper or cardboard, including used pizza boxes, belong in your red-lidded general waste bin.

Jazz comes alive across Subi this weekend

The City's streets, laneways, galleries, cafés, and venues will come alive this weekend for the Subiaco Winter Jazz Trail.

Presented by Perth International Jazz Festival in partnership with See Subiaco, the free trail features 12 performances across Saturday 15 and Sunday 16 August, showcasing WA jazz artists and local businesses.

See the program at seesubiaco.com.au.

New life for Shenton Park arts space

A long-vacant Shenton Park building has been transformed into a thriving creative hub, bringing new energy to the area and providing a vibrant home for artists and audiences.

SAVA ART Gallery has hosted six exhibitions in its first five months, most recently Common Thief by Perth muralist and painter Jordan Rush. The renewed building at 377 Railway Road features two gallery spaces, two artist studios, outdoor mural walls, and an event space.
