

Draw a superhero for our waste truck!

Draw your superhero in the white box below.

Four new trucks are now collecting recycling and waste around Subiaco – and we need your help to name and design one of them!

To welcome our new additions, we are holding a kids' competition to name one of the trucks and draw a waste superhero, who will be supersized and printed onto the side of a real waste truck! The winner will also receive a fun prize pack.

Think 'Bin Diesel' or 'Captain Cleanup' - the more creative the entry, the better.

The competition is open to anyone aged 5 to 12 living or going to school in the City of Subiaco.
