

Get a taste of HYROX at Lords

Lords Recreation Centre is now officially the first local government community recreation centre in Western Australia to become an accredited HYROX TRAINING CLUB!

HYROX is a global, indoor fitness 'race' that combines eight kilometres of running with eight functional workout stations, including sled push, burpees, and wall balls.

There are multiple HYROX events in Australia across the year, and Lords' accreditation as a HYROX TRAINING CLUB will allow Lords members to take part in specialised classes that include a combination of running and fitness stations to help people train for the event.

Mayor David McMullen said, "HYROX is a global fitness phenomenon, and for Lords to become the very first local government recreation centre to offer this accredited training is a fantastic achievement. It's great to see Lords leading the way and setting a new benchmark for community recreation in our state."

To kick things off, there will be a special 'Get a taste of HYROX' launch event at Lords on Saturday 18 April before classes officially start from Monday 20 April.

Visit www.lords.com.au/lords-hyrox-training-club for more information about the launch and the upcoming classes on offer.

A quick monthly update from Mayor David McMullen

Despite the photo, I haven't joined a radio station.

One of the pillars of our 2025-2035 Council Plan is a 'Thriving economy; A thriving, attractive destination'. Hence, a Focus Project for our Economic Development team has been the continued rollout of Targeted Industry Programs. We want to attract and support key industries to benefit the local economy.

This time round, we were supporting a Perth Advertising and Design Club (PADC) event, presented in conjunction with Southern Cross Austereo. A morning of networking and professional development for Perth's advertising and design sector, right here in Subi.

Harmony Week outdoor movie night returns

The City is hosting a screening of *My Neighbour Totoro* to celebrate Harmony Week 2026 at the Subi Night Market on Saturday 21 March.

Come down from 5pm to enjoy Aboriginal face painting, Brazilian and Indian dance performances, henna art, origami making and lion dancing before the movie starts when the sun goes down.
