CITY OF SUBIACO

Have your say - Council Plan

- The City is developing its new Council Plan and wants to hear from you
- Have your say on the future of the City through an online survey or in-person sessions
- The plan will include a vision for the City and strategic priorities and outcomes

The City is inviting residents, workers and visitors to co-create the future of our district by providing input into our new Council Plan.

The plan will include a new, future-facing vision, strategic priorities and outcomes across themes including lifestyle and wellbeing, natural environment, local economy, built environment, governance and leadership.

Throughout design of the Council Plan, the City will place a strong emphasis on the community's current priorities and future aspirations.

Once a draft Council Plan has been developed, it will be shared with the community for feedback before it is considered by Council.

Iconic summer concerts are back

The City of Subiaco's iconic free sunset@subi concert series is back for its 37th season to help you make the most of warm summer evenings with family and friends under the setting sun.

This year's six-concert program kicks off with a special Christmas concert at Lake Jualbup on Sunday 22 December with a three-part harmony group, smooth swing arrangements of Christmas favourites and a special appearance by Santa himself.

The series will resume in the new year with acts including an homage to the pioneers of jazz from the roaring twenties, hits from the 70s and 80s reimaged in a big band style and a tribute to the queens of pop from the swinging sixties.

Concerts run from 6pm to 8pm, with an Auslan interpreter at all performances.

All concerts are free to attend and no bookings are required. The City has free parking in Subipark car stations all weekend – no ticket required.
