2025 Photographic Awards winners announced

Winners were announced for the City's prestigious annual Photographic Awards this week, with Andrea Cotumaccio taking out the top prize for their photograph titled 'The Face I Had'.

A record 1250 photographs were entered into this year's awards, which included entries into the new categories for 2025; 'People and Portrait' and 'Nature'.

The Resident category was taken out by Shenton Park local Paul Harrison for his photograph, 'Wanaka Tree' (pictured above).

Mayor David McMullen acknowledged the talent of all winners and finalists; "The City's Photographic Awards are always a highlight on the City's arts and events calendar.

"The shortlisted and winning photographs are a testament to the photographic talent we have across our community and further across Perth."

Photographs from the 91 finalists in this year's awards are currently on display at Subiaco Library until Sunday 7 September. Visitors to the exhibition can vote for their favourite piece to win the 2025 People's Choice Award.

Library launches study sessions

Subiaco Library is set to open on select Sunday mornings from September to November to help senior school students prepare for upcoming exams.

Named 'Sunday study sessions', these 10am to 12pm sessions will create a space for students to study together, share resources, and build a sense of community during a typically stressful time.

Read the session dates at **www.subiaco.wa.gov.au/news.**

UnWined Subiaco on sale now

Food and wine festival UnWined Subiaco is returning for its 15th year on Saturday 25 and Sunday 26 October – and tickets are on sale now!

The festival brings together more than 50 local wineries pouring more than 300 wines, as well as craft brewers, distillers, and delicious food. There will also be live music, activations by See Subiaco, a door prize, and Perth Is OK! Barrel Sessions offering curated wine, beer, and cocktail tastings.

Pre-book your next bulk green waste collection

A pre-booked bulk green waste collection service will be open for bookings from Monday 8 September, with collections commencing from Friday 26 September.

Each household will be entitled to three pre-booked collections of up to three cubic metres of loose green waste (including branches, flowers, leaves, weeds and twigs), annually.

In addition to the pre-booked service, each household will receive one green waste pass per year, which provides free access to the West Metro Recycling Centre in Shenton Park.

Refurbished museum gallery now open

Ahead of its 50th anniversary in November 2025, Subiaco Museum has unveiled its refurbished permanent exhibition space to the community.

This marks the museum's first refurbishment since its opening in the 1970s. Upgrades include new lighting, interactive displays, audio-visual elements, signage, and replacement of ageing cabinetry.

Read more about the upgrades at **www.subiaco.wa.gov.au/news.**

City up for national awards

The City has received nominations for three Mainstreet Australia Awards, and two Australian Event Awards.

Nominated projects include SubiPoP (Public Open Spaces); encompassing upgrades at Seddon Street, Forrest Walk, Postal Walk and Subi Greenwalks, the City's partnership with SPACEMRKT, Subi Blooms x Gather 2025, and the Harmony Under the Stars outdoor movie night.

Update on Local Planning Policies 1.1 and 1.2

The City is looking to update LPP 1.1 and 1.2 to align with new Residential Design Codes (R-Codes) set by the State Government. The City needs to update its local policies by April 2026 so they stay valid and work together with the updated R-Codes.

Mayor David McMullen said, "We know how important local character is to our community. The policy modifications do not erode the policy intent or objectives of LPP 1.1 or 1.2 in any way."

Read the draft policies and FAQs via **www.subiaco.wa.gov.au/news.**

Climate Change Plan adopted

Following community consultation, the City's Climate Change Response Plan was adopted by Council at its August Ordinary Council Meeting.

The plan will guide the City's plans and actions to mitigate and adapt to climate change, at both a corporate and community level.
