

Subi Spritz returns this March

A taste of Southern Europe is set to arrive with the return of Subi Spritz from 14 to 23 March.

From pop-up restaurants and bars to aperitivo trails, outdoor live music, and a pop-up cinema, there is something for everyone across this 10-day festival, including returning favourites like the Conti Roll Contest.

New additions include pop-up cellar door takeovers, an open-air aperitivo bar for pre-dinner drinks and a closing party laden with Italian street eats, a spritz bar, Euro wine tastings, live music and kids' activities.

City of Subiaco Mayor David McMullen said, "Subi Spritz has quickly become a highlight of our annual calendar.

"It is a celebration of food, drink, vibrant culture and heritage; it is European, and it is Subiaco.

"Events like Subi Spritz not only showcase the unique character of Subiaco, they also provide an important boost to our local businesses. We will see residents and visitors all coming out to enjoy some of the best of what our City has to offer."

More information and tickets can be found at www.subispritz.com.au.

Subi Spritz is proudly presented by See Subiaco, a City of Subiaco initiative.

Minute with the MAYOR

A quick monthly update from Mayor David McMullen

Last weekend we welcomed the Royal Australian Navy Band Western Australia to the City of Subiaco - a band I happened to be an active member of, until a few years ago. They put on a great show at Market Square for sunset@subi; it was a Subi summer's evening at its best. It's been a fantastic sunset@subi series, with the final concert happening this Sunday. Get along and enjoy it!

Keep it social

The City is now on Instagram. Head to [instagram.com/cityofsubi](https://www.instagram.com/cityofsubi) to start following and stay up to date with the latest news and events.

Dementia information sessions

The City is working with Brightwater to deliver a series of information sessions around dementia this year.

The upcoming sessions – which are all free to attend – will be held at Subiaco Library and include: Younger Onset Dementia; Falls Prevention – Information and Advice; Understanding Home Care; and The Importance of Thinking Ahead as we Age.

The City has delivered dedicated dementia awareness events and offered Dementia Memory Kits to the community since 2023. Subiaco Library has proudly achieved 'working towards becoming dementia friendly' status in late 2024.

Refresh your verge and receive up to \$500

The City is now offering rebates up to \$500 for residents who want to beautify their verge with native plants.

The rebates are part of the City's Waterwise Verge Rebate Program, which encourages waterwise gardens, and verges that prioritise native Western Australian plants.

\$500 rebates are available for verges larger than 80m², \$250 is available for verges smaller than 80m², and funding is also available for unit blocks at the City's discretion.

Shenton Park streetscape design

The City of Subiaco is undertaking visioning for Shenton Park, particularly in the key activity areas along Onslow and Nicholson Roads.

This exploratory process aims to understand what the community loves or thinks needs to be improved, and will help develop the City's priorities over the next five years and beyond.

For more information or to get involved, visit www.haveyoursay.subiaco.wa.gov.au/sp-streetscape to complete the online survey before **21 February**.
