

School Programs at Subiaco Museum

Term 2 2026

Subiaco Museum offers fun and interactive history programs for Year One and Year Two students.

Each program is designed to meet the requirements of the HASS (History) Curriculum. Through storytelling, object-based learning, and imaginative role-play, students build historical understanding by comparing past and present.

Sessions are free for local schools, or \$6 per student for schools outside the City of Subiaco.

Bookings are essential - please use the Eventbrite links below.

Year 1 Program

Present and Past Family Life
Wed 22 April - Fri 15 May 2026

Explore how families in the past communicated and carried out everyday tasks.

Students will dress in costume and participate in hands-on, role-play activities:

- experience the old post office - write postcards, stamp letters and send morse code telegrams. Learn about Bert the local boy who became a postman.
- take part in wash day. Scrub clothes on a washboard, then hang out to dry with dolly pegs.
- pretend play making scones and butter for the tearoom, serve customers and enjoy a pot of tea.

Year 2 Program

The Past in the Present
Wed 27 May - Fri 19 June 2026

Step back in time and discover how life in the past compares to the present.

Students will dress in costume and participate in hands-on, role-play activities:

- experience a lesson in the old schoolroom following traditional class rules, rote-learning timestables and writing on a slate board.
- learn about local builders, the Grundmann family. Work together to build a house using 'timber' or 'bricks'.
- Explore decorative elements of the past by designing a stained glass window.
