

Christmas and New Year opening hours

Many City staff will be taking a break over the festive season to spend time with their loved ones and recharge for an exciting 2022. As such, some of our opening hours will temporarily change.

The Administration Centre will be closed from 12pm Friday 24 December and resume normal hours from Tuesday 4 January; there will also be changes to Subiaco Library, Subiaco Museum and Lords Recreation Centre opening hours.

Please note: there will be NO changes to waste collection over the festive season.

For all changes, visit www.subiaco.wa.gov.au.

From everyone at the City of Subiaco, we wish you and your family a safe and happy festive season!

Council plans for Lords future

The City is beginning to plan for the future of Lords Recreation Centre.

This week, Council committed to a robust and holistic business case planning process to investigate all options for indoor sport and recreation in the City.

The Lords building began its life as a freight forwarding terminal and is now 60 years old with a significant increase in maintenance required in the coming years as it ages further.

Lords members and community will be an important part of the planning process and help guide and shape future plans.

Read the full story at www.subiaco.wa.gov.au/news.

Christmas comes early to Lords gym

Christmas is coming early for the gym at Lords Recreation Centre with new cutting-edge strength equipment currently being installed.

Some of the current equipment is more than 25 years old so the new gear – by Technogym – is a welcome addition to the popular Subiaco gym.

Lords gym is closed and reopens Monday 20 December with the new equipment which includes everything from kettlebells and barbells to squat racks and sleds.

For more, visit www.lords.com.au.

Council continues to plan for the future

The new Council met again recently to consolidate their focus and priorities, and their plan for the future.

The session included conversations about the great things currently happening in Subiaco and ways the City could continue to support this positive upwards trend.

Council initially met in November to kick off these discussions and has been busy since with a number of strategic workshops, presentations, briefings, and meetings on an array of topics.

Mayor David McMullen said these dedicated strategic planning sessions would help set the City on a Council-led path to success.

“I think every Councillor came out of the session motivated and ready for action to ensure our City thrives now and well into the future.”

Shop local this Christmas

The City of Subiaco has a great mix of independent retailers and name brands, making it the perfect place to do your Christmas shopping.

Find unique gifts, whether it's one-of-a-kind jewellery, a trendy cycling kit, locally made gin, a glam beauty treatment, a painting class, or anything in between.

And if it's Christmas goodies of the edible kind you're after, local bakeries and stores have got you covered with everything from traditional staples to show-stopping creative masterpieces.

Rokeby Road temporary partial closure

There will be a temporary partial closure of one lane (southbound) of Rokeby Road between Churchill Avenue and Roberts Road to enable the installation of essential sewer upgrade to cater for One Subiaco and future developments in the area.

The partial closure will be done in stages, commencing on Tuesday 4 January 2022, and will also include works on Seddon Street.

Pedestrian access along both sides of Rokeby Road will remain open at all times, as well as the northbound traffic and parking lane, and the Rokeby Road and Hay Street intersection.

Water Corporation has determined the sewer upgrade is required to provide for the increase in residential and business activity now and into the future.

The works are expected to take 10-12 weeks but the partial road closures will vary according to each stage.

[sunset@subi concerts](#)

The City's popular sunset@subi outdoor concert series starts this weekend.

Bring along a picnic dinner or grab something from one of the delicious local eateries throughout the City, before enjoying the live music as the sun goes down on a relaxed Sunday. A dessert van will be at each concert.

There will be six concerts, running from 19 December 2021 to 30 January 2022 (excluding Boxing Day), with an Auslan interpreter present.

All concerts are free to attend and no bookings are required. It's free to park in Subipark car stations all weekend – no ticket required.

For more, visit www.subiaco.wa.gov.au/concerts.

Design Review Panel

The City is seeking expressions of interest for Design Review Panel membership for 2022-2024.

The panel provides independent expert advice on development and planning proposals facilitating a high quality design of the built environment.

People who demonstrate a high level of expertise with appropriate qualifications and/or substantial experience in related disciplines are encouraged to nominate. Nominations are also called for a chairperson.

For more information, including the nomination criteria, visit the Other Planning Matters page on the City's website.
