

Vaccination certificate and ServiceWA app help sessions

New State Government directions mean everyone needs to show proof of vaccination at many venues to help keep our community safe.

The City is now running regular sessions to help you access and download your vaccination certificate, plus show you how to use the new ServiceWA app on your phone.

The ServiceWA app can be used to check-in to venues as well as show digital proof of your vaccination status.

The free drop-in sessions are on every weekday morning at Subiaco Library from 9.30am to 12pm.

You can drop-in and wait for assistance or you can book in a time by calling Subiaco Library on 9237 9300.

For more, visit www.subiaco.wa.gov.au/library-services.

City requests protection of significant trees

The City has requested the State Government take a number of actions to protect three significant fig trees in the Subiaco East Redevelopment area, after a unanimous Council decision last month.

Recently approved design guidelines for the area suggest the possibility of the trees being relocated, but the City is concerned this would have a detrimental impact on the trees given the complex and intertwined root systems.

The City is currently seeking confirmation from the State Government around the following matters:

- The three fig trees (inclusive of their main root systems) will retain in situ.
- During subdivision works and construction of development on adjoining lots, the trees and their root systems will be protected and maintained.
- The trees will be situated in the public realm, as opposed to being incorporated into development lots in the area.

View the letter to the Minister for Lands and the full Council decision at www.subiaco.wa.gov.au/news.

Calling all photographers

The City's Photographic Awards is back for its 21st year. Enter your photographs for a chance to win a share of over \$4500 in cash prizes.

Entries are open from Monday 7 February to Sunday 6 March in three categories (Subiaco, Open and Mobile) for photographers aged six years and over.

This year, for the first time, the City is also offering a residents prize for all Subiaco residents.

Finalists will be exhibited at Subiaco Library from Saturday 30 April to Sunday 29 May.

For more, visit www.subiaco.wa.gov.au/photography.

New look ranger vehicles

Have you spotted our new look ranger vehicles out and about? The electric vehicles have had some new artwork installed to celebrate that the City is certified carbon neutral. We'll be posting some pictures on our Facebook page soon so make sure you're following us at www.facebook.com/cityofsubi.

Subilicious

Subilicious 2022, part of the Perth Fringe Festival, is a collection of arts events held in the heart of Subiaco.

This year's event is headlined by comedian, Rove McManus and also features music, theatre and other performances at a range of venues.

Subilicious kicks-off what will be a big year of events in the City.

Visit seesubiacom.com.au for all the events. Plus look out for Subi Spritz, a unique celebration of southern Europe from 31 March – 3 April.

Subi POP

Have your say on the City's Subiaco Public Open Places (SubiPOP) Public Realm Upgrade which will transform Postal Walk, Forrest Walk and Station Walk.

This project seeks to make these spaces into welcoming meeting places for the community, create new places for people to connect and allow the City to better deliver activations and events.

View the artists' impressions and give your feedback before 5pm Wednesday 9 February.

Special Council Meeting

A Special Council Meeting of the City of Subiaco will be held at 5pm on Tuesday 1 February 2022 in the Council Chambers, Administration Building (241 Rokeby Road, Subiaco).

The purpose of the meeting is to consider the Joint Development Assessment Panel development application for 263-277 Hay Street and 17-19 Olive Street, which proposes amendments to the current development approval.

Find out more about attending a Council Meeting or view the agenda on the City's website.

Rokeby Road temporary partial closure update

There is a temporary partial closure of one lane (southbound) of Rokeby Road between Churchill Avenue and Roberts Road to enable the installation of an essential sewer upgrade to cater for One Subiaco and future developments in the area.

The partial closure is being done in stages to help minimise the impact.

Pedestrian access along both sides of Rokeby Road is remaining open at all times, as well as the northbound traffic and parking lane, and the intersection of Rokeby Road and Hay Street.

Water Corporation has determined the sewer upgrade is required to provide for the increase in residential and business activity now and into the future.

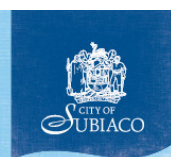

The works are expected to be finished by the end of March.
