Proof of vaccination now required at all City facilities

Due to the ongoing spread and effects of COVID in the WA community, the City is implementing new guidelines for everyone (aged 16 and over) visiting any of our City buildings and services.

Proof of vaccination (or valid exemption) is now required when entering any of the City's facilities. This includes:

- Lords Recreation Centre
- Administration Centre (241 Rokeby Road)
- Subiaco Museum
- Subiaco Library (237 Rokeby Road)

For acceptable forms of proof, see the State Government website (www.wa.gov.au).

As always, you can access many of our services through the online services section of our website.

For more, visit www.subiaco.wa.gov.au/news.

Changes at Subiaco Library

Subiaco Library is taking the fun outdoors this summer with a number of regular activities now taking place in the adjoining park to help reduce risks associated with COVID and ensure continuation of services.

Moving regular activities – including Storytime, Baby Rhymetime, English Conversation Club and book clubs – into the fresh air and sunshine, means there is more space to socially distance and patrons have also been really enjoying it.

Subiaco Library is also introducing a new 'click and collect' service so everyone can continue to access library resources without needing to enter the building.

This new service will be offered every day between 9.30am and 5pm with Fridays now being exclusively 'click and collect' as the building will be closed due to staffing changes.

For more, visit www.subiaco.wa.gov.au/news.

Vaccination certificate and ServiceWA app help sessions

New State Government directions mean you need to show proof of vaccination at many venues to help keep our community safe.

The City is now running regular sessions to help you access and download your vaccination certificate, and learn how to use the new ServiceWA app on your smartphone.

The ServiceWA app can be used to check-in to venues as well as show digital proof of your vaccination status.

The free drop-in sessions are on Monday to Thursday mornings at Subiaco Library from 9.30am to 12pm. You can drop-in and wait for assistance or you can book in a time by calling Subiaco Library on 9237 9300.

Roam Subiaco this summer

There is a temporary partial closure of one lane (southbound) of Rokeby Road to enable the installation of essential sewerage upgrades to cater for One Subiaco and future development in the area.

While the road may be temporarily closed, our local businesses are well and truly open (pedestrian access is open at all times) so make sure you head to Rokeby Road for some extra special local shops, eateries and venues who will all extend a warm welcome.

From delicious vegan food, pub classics, after work drinks and bubble tea to hair professionals, nail salons and a huge number of retail hotspots (thrift shops to gowns specialists – and everything in between!), there's truly something for everyone.
