Treat Yourself in Subi

Supporting our local businesses is more important than ever, and thanks to See Subiaco's new Treat Yourself in Subi, there's no excuse not to.

From cheap eats and drink deals too good to be true, to a quick beauty pick-me-up, you'll find plenty of lunchtime deals around Subi.

Don't miss out on some amazing offers from local businesses, available for a limited time. Help support the Subi business community!

City to support those affected by floods and the war in Ukraine

The City will make a donation to assist Ukrainian people and refugees suffering from the war, as well as people affected by the recent floods in Queensland and New South Wales.

It comes after two elected member motions at Tuesday's Council Meeting to donate \$10,000 to each cause.

The Ukrainian flag will also be flown outside the City's Administration Centre every day for a month and Council will sign a letter to the Ukrainian Embassy expressing the City's support and condemning the actions of the Russian State.

The donation for the victims of the Australian floods will go directly to the Australian Red Cross' flood appeal for both states to help support those affected by the recent floods.

Positive Ageing Partnership events paused

The City is temporarily pausing its Positive Ageing Partnership events and activities.

With the spread of COVID-19 within our community, there has been a significant decline in attendance at Positive Ageing events; community feedback has indicated many people in this vulnerable group are feeling anxious, avoiding events and staying home where possible.

Understandably, a number of City volunteers – many of whom are also

vulnerable – have chosen to take a temporary break from volunteering in the community for their health and wellbeing.

At this stage, we expect to recommence the Positive Ageing program of events and activities in April after WA has hit its peak for COVID cases but will always follow State Government health advice which is subject to change.

Lords new gym going strong

The gym at Lords Recreation Centre has had a major facelift with a load of new state-of-the-art equipment to give members a better workout experience.

There's a great new functional training zone with a sled track and a large rig with kettlebells, monkey bars, a squat rack, boxing bags and battle ropes.

All the new equipment is easy to use and there are always trained fitness experts on hand to assist you if you need any advice or assistance.

There are still a few days left to refer a friend and get two months' free membership at Lords.

Visit www.lords.com.au for everything you need to know.

Committee nominations open

The Economic and Business Development and Sustainability Committee provides advice to Council on economic and business development and sustainability strategies, policies, initiatives, and actions.

The City of Subiaco is seeking nominations from interested persons to fill a maximum of two positions on the committee.

Nominating parties should be representatives from the Subiaco community, including business owners, business representatives or local community members.

Nominations close **5pm Tuesday 5 April 2022**.

School holidays in the City

April school holidays are fast approaching and we've got plenty of fun on across the City for the whole family.

Subiaco Library is holding Art in April with three special illustrators and artists running exciting sessions, on top of fun craft activities and a special Storytime with Glenn Swift.

Over at Lords Recreation Centre, encourage the kids to get moving, learn new skills and have fun with activities including an amazing race style day full of cooking, swimming and games; an Easter fun day with an egg hunt and other special treats; and a survivor style day full of puzzles, challenges and team work.

For more on what to do in the City these holidays, visit www.subiaco.wa.gov.au/news.
