## Subi Blooms

Subi Blooms is set to transform our town centre for Mother's Day with 12 beautiful and immersive large-scale flower installations enlivening Subiaco's landmarks, laneways and street corners.

For one weekend only (Friday 6 May to Sunday 8 May) prominent WA floral artists are taking floristry to a new level with a flower-bombed photo booth, giant macaroons and over 250 fresh flowers in one installation alone.

There will also be a Poppy's Flower Truck giveaway at Forrest Walk on Friday 6 May from 2pm to 6pm.

Set to attract over 15,000 visitors over the three days, Subi Blooms – a See Subiaco event – will have you following the floral art trail while dipping in and out of some of the City's amazing small businesses.

### ANZAC Day Driveway Dawn Service

On Monday 25 April, we remember Australians who served.

The Subiaco-Shenton Park RSL and City of Subiaco will not be holding formal services this year; instead, we are encouraging the community to participate in a Driveway Dawn Service.

Driveway Dawn Services across the state have had strong support over the past two years with families gathering at the end of their driveways or on balconies with a candle as the sun rises to remember those who served.

Tune into Mix 94.5 or Triple M from 5.50am, and email a photo of your driveway service to [culture@subiaco.wa.gov.au](mailto:culture@subiaco.wa.gov.au) to share on our Facebook page.

### Subi Farmers Market

If you're after fresh local produce, artisan wares, a decadent sweet treat, or just a quick breakfast and live music, Subi Farmers Market has you covered.

Proudly supported by the City of Subiaco, these sustainable markets take place every Saturday morning (8am to 12pm) at Subiaco Primary School. Visit [www.subifarmersmarket.com.au](http://www.subifarmersmarket.com.au) for more.

### Mandarin Storytime is here

Subiaco Library has recently introduced Mandarin Storytime for children aged 3-12 years.

The bilingual session includes Mandarin storytelling with simple translations in English, one or two Mandarin phrases and a cultural experience provided by UWA's Confucius Institute.

The next Mandarin Storytime takes place on Wednesday 4 May, from 3.30pm to 4pm. Free, bookings essential.

### Native plant subsidy scheme starts soon

The City has partnered with WESROC to offer ratepayers up to 80 local native plants for their verge and garden at the subsidised cost of \$1.75 each.

As well as enhancing and supporting local biodiversity, native plants require little water or fertiliser once they're established.

From Monday 2 May, APACE Nursery in North Fremantle will facilitate the scheme, which is limited to the month of May (or until stock runs out). Proof of residency is required.

### Ukrainian flag raising ceremony

The City recently held a flag raising ceremony to show its support for the Ukrainian people affected by the war.

Special guests included the Ukrainian Association of Western Australia President and Vice President, as well as a number of Ukrainian people who call Subiaco home, including Roma Popadynech.

Roma is making a huge difference to people's lives by hosting displaced Ukrainian families, helping others find accommodation and collecting essential items for those who need them.

Roma's family – including her Ukrainian father, Wasyl Slobodian, who recently turned 100 years old – have been living in Subiaco since the 1950s.

As well as flying the Ukrainian flag each day as a symbolic gesture of support, the City has also made a financial donation to help Ukrainian people affected by the war and sent a letter signed by Council to the Ukrainian Embassy expressing condemnation of the invasion of their country.
