

New customer service location

On Tuesday 6 September, critical infrastructure in the City's Administration Centre (241 Rokeby Road) was damaged in a fire; this means the building will likely be closed for some months.

To ensure continuity of service, **customer service has been relocated to 19 Bishop Street, Jolimont** for any in-person enquiries. There is ample free parking available on site.

Mayor David McMullen said: "Closure of the Administration Centre has – and will continue to – cause inconvenience for many people. Our staff are working remotely and from alternative City locations to prioritise continuity of services to our community. Peoples' patience will be appreciated, if experiencing delays in coming days and weeks."

Online services are still available 24/7 at www.subiaco.wa.gov.au/online-services.

Mayor extends condolences to the Royal Family

Britain's longest-serving monarch, Queen Elizabeth II, died at age 96, on 8 September.

Mayor David McMullen said: "On behalf of the City of Subiaco, I would like to express our condolences to the new King, members of the Royal Family, the British government and the British people.

"As Mayor, one of my most distinguished duties is to welcome Australia's newest citizens in ceremonies throughout the year, in the Queen's honour. These ceremonies will now be slightly different, but we will continue to cherish the legacy Queen Elizabeth II has left Australia and the Commonwealth."
