Rankin Road playground design

The City invites users of Rankin Road playground, located in Rankin Reserve in Shenton Park, to participate in the stage two consultation for the replacement play equipment.

The City had a wonderful response to the playground design tender based on the community feedback we received during stage one consultation. We now have eight playground design options to choose from and we'd like to hear your thoughts.

Visit www.haveyoursay.subiaco.wa.gov.au/rankin-road-playground to view the playground options and have your say before 5pm Monday 14 November.
