## Subilicious returns for a fourth year

From a Vegas-style tribute to the hits of the '60s to award-winning flamenco dancing, audiences will be spoilt for choice when Subilicious returns this Fringe season!

Subilicious, the City of Subiaco's very own FRINGE WORLD hub, is back with a jam-packed program from Friday 20 January to Sunday 19 February across three Subiaco venues: the iconic Regal Theatre, Subiaco Arts Centre and the Irish Club of WA Theatre.

The program has been specially curated to shine a spotlight on Subiaco and the town centre as a destination for arts, culture and creative experiences.

Highlights include The 60 Four: In Concert; showcasing the best of The Beatles, The Beach Boys, Elvis Presley and more with a nine-piece band, TARA – Tuatha Dé Danann; a unique show based on the art form of Irish dance, and Fire on Ice; an absurdist comedy about a firefighting force in Antarctica who have never seen a fire before, and need to urgently put one out.

Subilicious ticketholders can also enjoy discounts at a range of local businesses in Subiaco.

### Bulk green waste verge collection

There will be a bulk green waste verge collection commencing Monday 16 January; please place any loose green waste out by the evening of Sunday 15 January. There is no limit to the quantity of green waste that you can put out, but please do not place in green waste bags.

Green waste bags will continue to be collected as usual from Monday 23 January until the City's new Food Organics Garden Organics (FOGO) waste system is rolled out later this year.

Once FOGO is in place, residents will be able to put nearly all organic waste in their new FOGO bin collected weekly. Additional waste will be removed during two bulk green waste collection weeks per year; the next one is scheduled for 19 June 2023.

### Research your family history

Museum Mornings return on Thursday 9 February. Join the Museum team for a family history workshop at Subiaco Library from 10am. Share your findings and progress or come along to learn how to start your ancestry journey. Morning tea provided.

For more information and to book, visit [www.subiaco.wa.gov.au/events](http://www.subiaco.wa.gov.au/events).

### Fight the bite

Residents and businesses are being encouraged to reduce instances of stagnant water over the next couple of months, to help prevent summer mosquito breeding. Please check, and regularly change, water in ponds, bird baths and pot plant bases.

Make sure you're protected from mosquito bites by wearing long, loose-fitting, light coloured clothing and applying insect repellent containing DEET or picaridin to exposed skin.

### Have your say on the Coles/Crossways Precinct

The City of Subiaco is preparing a Local Development Plan (LDP) that will guide the future development of the Coles/Crossways Precinct, bound by Rokeby Road, Bagot Road, Walmsley Lane and residential properties to the east. It includes the Crossways Shopping Centre and former Coles supermarket, as well as the City owned car parks.

We would like to hear from local residents, visitors, businesses and landowners to learn about your ideas, values and priorities for the precinct. Find out more by scanning the QR code above.

You can also attend a drop-in session at the Crossways Shopping Centre foyer on Friday 3 February from 4-6pm, or take the survey at [www.haveyoursay.subiaco.wa.gov.au/coles-crossways-ldp](http://www.haveyoursay.subiaco.wa.gov.au/coles-crossways-ldp) by 5pm on **Thursday 9 February**.
