## Voting for the City's local government election opens soon

This year, the City of Subiaco's local government elections will be held on Saturday 16 October. Local government elections are a great way to get involved in your community, contribute to democracy and have a say on who will represent you in making decisions about local issues. To help you find out more about the elections, we've put some FAQs at [www.subiaco.wa.gov.au/news](http://www.subiaco.wa.gov.au/news). Nominations have now closed and you can view your councillor and mayoral candidates online. Postal votes will begin to be distributed soon and all votes must be received before 6pm on election day. For more, visit [www.subiaco.wa.gov.au/elections](http://www.subiaco.wa.gov.au/elections).

### Hay Street now open

The City was able to safely reopen the full extent of Hay Street on Friday 27 August, restoring traffic flow, foot traffic and additional street parking to the area.

The hoarding was removed after the property owner completed stabilisation works at 424-436 Hay Street that the City ordered them to undertake back in March.

For more, visit [www.subiaco.wa.gov.au/news](http://www.subiaco.wa.gov.au/news).

### School holidays in Subiaco

Spend the school holidays in the City! Lords Recreation Centre has a carnival, a mega sports day, an amazing race style event, a survivor challenge and even a slime day.

Over at Subiaco Library, everything is up in the air – in the best possible way. Learn about kites before making your own, make a hot air balloon using a paper lantern, or use recycled materials to create and decorate your own alien.

There will also be Lego club, coding fun with littleBits, and some book making sessions with well-known author and illustrator Kelly Canby.

And after you're done at the library, you can pop next door to Subiaco Museum to explore Kelly Canby's work in a colourful exhibition.

The City is also home to a number of great parks (perfect for picnics or kicking around the football) as well as many local businesses that can ensure you stay caffeinated, fed and entertained.

For more, visit [www.subiaco.wa.gov.au/events](http://www.subiaco.wa.gov.au/events).

### City brings popular live music shows to Subiaco

The City (through See Subiaco) is bringing intimate live music experiences to venues across the City this October with a previously sold-out event series – Suburban Vibes.

Twenty-five artists will bring their signature styles to Hiddlestone Laneway, the Subiaco Skate Park, The Corner Gallery, Bark Bar, Subiaco Hotel, Dilly Dally, The Regal Theatre, The Village Bar, and a secret show.

Fourteen-year-old Mitchell Santiago will launch the series with a free family-friendly performance at the Subiaco Skate Park.

The event series runs from Friday 8 October to Saturday 16 October. For more information and to buy tickets, head to [www.seesubiacom.com.au](http://www.seesubiacom.com.au).

### New venue for Seniors Coffee Club

Fortnightly coffee club for seniors has a new home at The Third Place Community Centre. All seniors are welcome to come along and socialise with others, hear about events and activities happening around Subiaco and enjoy a cup of coffee.

The club is free to attend and food and refreshments are purchased at your own expense. No bookings are required.

To find more out about Positive Ageing Activities visit [www.subiaco.wa.gov.au/events](http://www.subiaco.wa.gov.au/events).

*This activity is delivered as part of the Positive Ageing Activities Partnership between the City of Subiaco and The Third Place, The Salvation Army.*

### Community Development Grants close soon

If you help enhance the provision of programs, services and support to the local community, you could be eligible for a City Community Development Grant.

Individuals, community-based organisations and local groups that support innovative cultural and community activities are encouraged to apply before applications close **4pm Tuesday 21 September**.

This is the final Community Development Grant round for the year. For more, visit [www.subiaco.wa.gov.au/grants](http://www.subiaco.wa.gov.au/grants).

### Subiaco East active green space response from Premier

In July, Council resolved to send a letter to the Premier and the Chair of DevelopmentWA requesting consideration of providing additional active green space in the Subiaco East development area.

The City recently received a response from the Premier that referred to the extensive community and stakeholder engagement consultation over a two year period, as well as describing the 4.6 hectares of new public open space.

The response concluded by stating: "given the status of the Master Plan and the subsequent approvals that have been obtained to start delivery, the Government does not intend to modify the planning for Subi East to accommodate additional active green space".

In accordance with the council resolution, a report will go to the next Ordinary Council Meeting to consider any ancillary actions.

To book your spot or view all upcoming events, visit [www.subiaco.wa.gov.au/events](http://www.subiaco.wa.gov.au/events).

### Draft local planning policies

The City of Subiaco is inviting public comment on:

- **Draft Local Planning Policy 8.3 – Percent for public art and public realm.** The policy proposes that developments with a value of \$2 million and above contribute one per cent of their development cost to public art or public realm upgrades within the City.
- **Draft amended Local Planning Policy 7.3 – Public consultation for planning proposals.** Policy amendments are recommended to undertake administrative updates, provide new and amended provisions for development application consultation processes, simplify consideration of holiday periods when calculating the duration of consultation periods, and delete provisions duplicated in the *Planning and Development (Local Planning Schemes) Regulations 2015*.

To view the draft policies, visit [www.haveyoursay.subiaco.wa.gov.au](http://www.haveyoursay.subiaco.wa.gov.au). Comment via the online submission form, email or mail by **5pm Friday 1 October**.

### Finalisation of Local Planning Policy

At the City of Subiaco Ordinary Council Meeting held on 24 August 2021, Council proceeded with Local Planning Policy 5.1 'Car parking and transport'. The policy provides discretionary criteria to assess variations to non-residential car parking standards, and provides guidance for the requirement for Transport Impact Assessments, Parking Management Plans and Travel Plans submitted in support of development applications.

The local planning policy can be downloaded from [www.subiaco.wa.gov.au](http://www.subiaco.wa.gov.au).
